How to Create Zoom Account – Laptop Instructions

IMPORTANT: These instructions only apply to the District-issued laptops using the “MV/Student” sign-in. If you have a Chromebook, please refer to the Chromebook instructions.

1. In Google Chrome, go to <https://mv-org.zoom.us> as shown below.

2. Once the page loads, click the blue “Sign In” button as shown below.

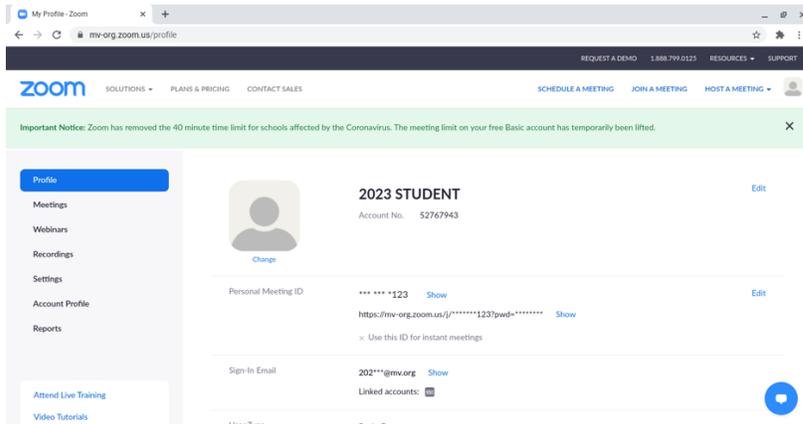

3. After clicking, the District sign-in page will appear. Enter your District-provided username and password in the area shown below, then click the blue “Sign in” button.

Sign in with your organizational account

4. You should now see your Zoom account page appear as shown below.

Signing into Zoom – Laptop Instructions

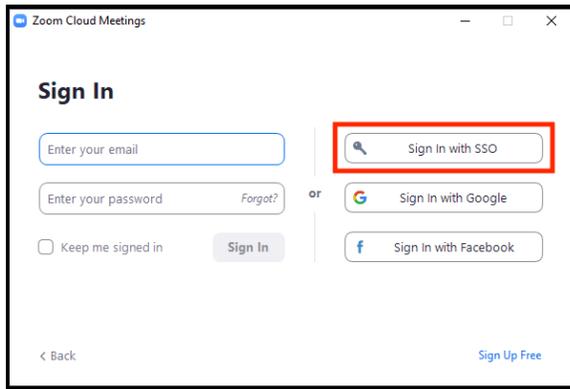

5. Close the Google Chrome window, and open Zoom by clicking the Windows icon in the lower left-hand corner of the screen and typing Zoom. Zoom should appear at the top of the window, and you should press Enter to open it.

6. The Zoom window will appear, and you should click “Sign In” as shown below.

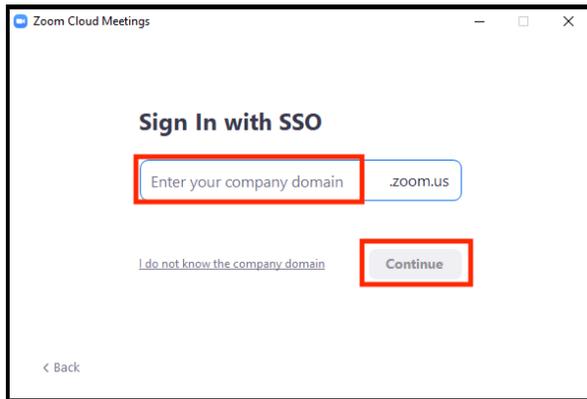

7. On the right-hand side, click “Sign in with SSO” as shown below.

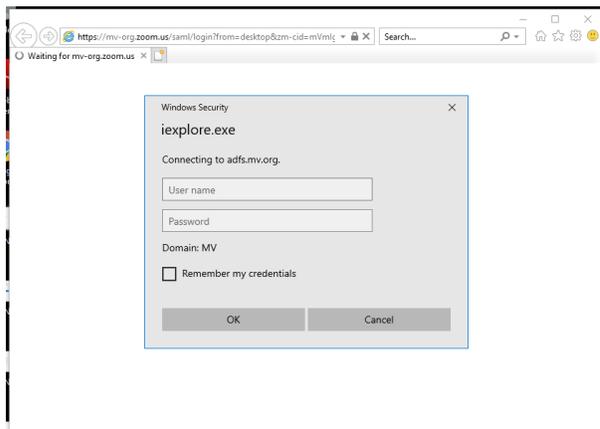

8. You will be prompted to enter a “Company domain”, as show below. Enter the following where it says “Company domain” and then click “Continue”:

mv-org

9. Internet Explorer will pop-up asking for your Username and Password as shown below. Enter your District-provided username (FirstName.LastName@mv.org) and your password, then click “OK”.

10. To access a Zoom meeting, simply keep the Zoom window open and click the Zoom link provided by your Teacher.
